Adopt-a-Park

Program Description
Volunteers experience hands-on learning about the City of Chico’s “Crown Jewel,” Bidwell Park. Volunteers work closely with Bidwell Park’s volunteer coordinator to remove non-native invasive species and restore habitat throughout the park and City greenways.

When the Program Runs
Various times during the week (ask at the front desk for specific times and dates).

Location
Lower and Upper Bidwell Park and City greenways

Why Volunteer?
Volunteers see their efforts make a difference in the lives of Chico residents enjoying the natural beauty of the park walking, jogging, or riding their bikes on the trails.

Fun Facts
Volunteers are trained to use interesting equipment and learn about the park’s natural history.
