Senior Circle

Program Description
A group-based program that provides socialization and interaction among volunteers and residents of local care facilities through planned activities. Under the supervision of a CAVE staff member, volunteer teams visit residents on a weekly basis to participate in everything from story-telling to bingo and more!

When the Program Runs
Various times during the week (ask at the front desk for specific times and dates).

Location
Various residential care facilities in Chico. Facilities range from 2 to 7 miles away from campus. Volunteers need to provide their own transportation.

Why Volunteer?
Volunteers form special relationships with seniors by participating in fun activities.

Fun Facts
Meet a variety of different people with awesome stories and wisdom.
