

**ASSOCIATED STUDENTS OF CALIFORNIA STATE UNIVERSITY, CHICO  
CORE VALUES AND COMMITMENTS**

**OUR CORE VALUES**

**DIVERSITY**

We advance policies and practices that strengthen our commitment to diversity, inclusion, and equity.

**SUSTAINABILITY**

We cultivate culture by imparting practices that promote continuously viable environmental, social, and economic systems.

**WELLNESS**

We create an environment that provides policies and services that support campus wellbeing.

**SERVICE**

We develop and produce programs and products that support and sustain our culture of service.

**OUR COMMITMENTS**

**INNOVATION and LEADERSHIP**

We promote innovation and inquiry in our boards, committees, programs, activities, commercial enterprises, and beyond, in our employment and participatory experiences through which we prepare students to be successful leaders in their future work environment as engaged members of a community.

**STANDARDS and ACCOUNTABILITY**

We consider the effective and efficient use of student dollars as a trust between the AS and the public. We are committed to maintaining a well-trained staff and a set of guidelines and standards that enable us to support and be accountable for the myriad programs and services we create.

**COMPASSION and RESPECT**

We demonstrate respect by ensuring that our interaction with others is done with fairness, consistency and compassion. We appreciate, support, and respect the partnerships that we have built within our organization and with the campus community.
