BALLOT ADVISORY MEASURE

*Pending signature verification

Chico State has a rich history as a national leader in sustainability - making tremendous strides in both campus initiatives and infrastructure.

It is essential that we balance the needs of the environment, economy, and the campus community to create a healthier and more equitable world. Our remedy is to "put sustainability back on the menu" to ensure campus accountability for a more productive present and thoughtful future. Therefore,

Should the Associated Students encourage the University to reinstate sustainability as one of the highest priorities in Chico State's Five-Year Playbook Action Plan?

Yes

No
