RECYCLING RESOLUTION

- Whereas, When paper is made from reclaimed paper rather than virgin wood pulp the manufacturing process causes less pollution of water and air, less solid waste, and
- Whereas, Recycling cuts down the amount of waste that must be disposed of by municipal systems, and
- Whereas, Paper makes up nearly 33.3% municipal solid waste by weight and over 50% by volume, and
- Whereas, Recycled paper conserves resources and protects the environment by reducing the demand on forests and water supplies, therefore
- Be It Resolved, That the Associated Students Board of Directors commit themselves to reducing waste wherever possible, and directing waste back to useful purposes, and
- Be It Further Resolved,
- That the Associated Students Board of Directors adopts the policy of using recycled paper wherever possible and that this policy be extended to all A.S. funded programs and organizations.
