

AS Sustainability Fund Final Report 2022

- **Throughout your project we want you to be thinking about how your project works on a larger scale and the impacts your project will have. Not only will this information be converted into a flier, but it will also be used to give other students the opportunity to see how their money is being used to promote sustainability on the Chico State campus and within the community.**
 - This report is designed to replicate formal reports expected if you were to apply for grant funding elsewhere. We expect complete sentences, informed responses, and specific information.
 - You will be expected to:
 - Use complete sentences
 - Be concise and clear with your writing
 - Include specifics
 - Analyze the impacts of your project making sure to include any metrics if applicable
 - Acknowledge any places where you had difficulties in accomplishing your project
 - Recognize how your project either promotes civic engagement or could be used to promote civic engagement
- **We ask that you compile your work into a 3-5 page paper that is double-spaced and in 12 point Times New Roman font.**
 - Follow MLA format
 - Cite any sources (in MLA format)
