

ACTIVITY FEE PHILOSOPHY STATEMENT

The purpose of the Activity Fee is to provide revenue to those programs that as a whole reflect the broadest variety of student interest, are open to all students who wish to participate, and which are not more appropriately funded by other sources. Consideration will be given according to the degree in which programs:

Provide needed services that would otherwise not be available to students;

Enhance the educational opportunities available at CSU, Chico;

Provide extracurricular opportunities for students;

Attempt to use the AS. and Campus resources to help meet the social service and cultural needs of the community;

Foster communication between campus and community;

Demonstrate that some component of funding has a direct benefit to students;

The Emergency Reserve-Liquid was set up to provide extraordinary funds for new programs and events. The allocations from the ER-Liquid must be in accordance with the above criteria. Additionally:

The program must show evidence that the funds have been diligently sought outside of the AS., if appropriate;

Programs must demonstrate well-defined goals, good planning, and probability of success;

Regularly funded programs must demonstrate an urgent need for requested funds.
