The [Associated Students Gender and Sexuality Equity Center \[GSEC\]](#) is a student-run activist organization that strives to empower all students through its four programs: the Women’s Program, LGBTQ+ Program, Outreach Program, and Trans Program. The GSEC challenges societal norms that have been used to oppress and marginalize by providing opportunities for leadership, personal development, and referral services. We offer a safe and inclusive space where the campus and community can effectively support the academic mission of the university.
