The Associated Students **Gender & Sexuality Equity Center (GSEC)** is a student-run activist organization that strives to empower all students through its four programs: the Women's Program, the Queer Program, the Trans Program, and the Outreach Program. The GSEC challenges societal norms that have been used to oppress and marginalize by providing opportunities for leadership, personal development, and referral services. We offer a safe and inclusive space where the campus and community can effectively support the academic mission of the university.
