ATTN: CHICO STATE STUDENTS, Intern at the Gender & Sexuality Equity Center Spring 2018

ATTN: Chico, Calif., The [Associated Students Gender and Sexuality Equity Center \(GSEC\)](#) is thrilled to announce that they are taking on interns for the Spring 2018 semester. Three unit internships are available to Chico State students in the Women's, Queer, Trans, and Outreach Programs. Interns in all programs will organize events, contribute to campaigns, and positively impact Chico's feminist and LGBTQ+ community by utilizing their creative capabilities. The Outreach Program interns specifically will also run marketing campaigns for GSEC events and coordinate social media sites to educate our community on social justice issues. Applications will be available in the GSEC office (BMU 004), by e-mail request at asgsec.outreach@csuchico.edu, and online at the GSEC's [website](#). **Applications will be due Monday, January 29 by 5:00 p.m. to BMU 004.**

The Gender and Sexuality Equity Center encourages everyone to attend the bi-annual **Internship Fair on Thursday, January 25 from 5:00–6:30 p.m. in BMU 004** to find out what working at an activist organization can do for Chico State students. The Internship Fair provides the opportunity to network with fellow student leaders and activists. The GSEC staff will explain the application process, what the internship experience will be like, and the seminar course that all interns must take. This is a great opportunity for applicants to get questions answered and to see which program they would like to intern with. Snacks and beverages will be provided.

The GSEC is looking for students who are passionate about social equity and motivated to work towards awareness and inclusion on Chico State's campus and in the community at large. In order to be better representatives of the student body, the GSEC strongly encourage students with diverse identities and experiences to apply. Striving to improve marketing and advertisement, the GSEC is also seeking those who are detail-oriented, have strong writing skills and/or PR/journalism experience. No experience is required; the center welcomes any creative or unique skills applicants may have. All majors, genders, sexualities, and ages are encouraged to apply. For more information, feel free to visit the GSEC office in BMU 004, call (530) 898-5724, or email asgsec.outreach@csuchico.edu.
