A. Information Item: Review of Associated Students Budget – estimated results 2016-17 and proposed budget 2017-18 – Jennings provided an overview for the Board. She first reviewed the All Areas Summary and Pay Schedule, noting 2017-18 overall revenue and expenses are projected to be $20,808,629 and $20,467,584, respectively. She explained that the effect of the minimum wage increase was noted throughout the budget. She said the proposed 3% career pay increase keeps us in line with what the campus is offering. Buckley said we’ll still be 2% behind in wages because the University is giving an additional 2% for CFA which the AS can’t afford. Jennings next reviewed Section 4, Activity Fee Fund, noting highlights for 2016-17 and 2017-18 proposed. Enrollment headcount at 17,224 for 2016-17 and a conservative head count for 2017-18 of 16,800. Section 5, Auxiliary Activities, was next reviewed. Wildcat Store highlights were reviewed – for

Services total available for reserves is projected to be $28,321. Regarding 2017-18, projecting

Services, including Sutter, total available for reserves is projected to be $221,031. Buckley said this does
not include discussions regarding Sutter contracts. Section 6, Student Union, was next reviewed. BMU
highlights: 2016-17 estimated results show total income higher by $21,293. BMU is expected to be better
than budget by $213,759. For 2017-18 proposed, total income increases by $414,996 due to an increase in
Return of Surplus Funds. Total expenses to increase by $366,861. WREC highlights: 2016-17 estimated
results show total income increase by almost $30,000 over original budget. Total expense decreased by
over $180,000 from original budget. 2017-18 proposed total income increase by over $400,000 over 2016-
17 estimated results. Total of other expenses to increase by $207,000 over 2016-17 estimated results.
Section 3, Capital Expenditures, was reviewed by area. Section 7, Corporate Services Fund Summary, was
next reviewed and Jennings explained this area’s expenses are covered by reimbursement from other AS
areas; it is a zero based budget. 2016-17 estimated results budget reflects a decrease of $39,050. The
2017-18 proposed budget reflects an increase of $75,704. Jennings reviewed the highlights for the
Financial Services Office, Administration and Human Resources Office, Information Technology and
Corporate Insurance. Discussion was held regarding various questions.

B. Information Item: Wildcat Statue – Nguyen said the Wildcat Statue Project was begun in 2012. Project
Budget is $110,000 for artwork, $25,000 for installation and site-improvements. Funding partners as follows:
Associated Students at $50,000, Alumni Association at $50,000, Athletics at $10,000, and the University at
$25,000 for site preparation. The timeline from fall 2014 to 2017 was reviewed. Nguyen said during spring
of 2017 the stakeholders have renewed discussions and achieved consensus on a new location for the
statue, the BMU Plaza. He said this will be submitted to the Campus Planning Committee to review for
approval in light of the new location being suggested. The selected artist will need to be contacted to begin
discussion of contracts and artwork production timelines. A soft timeline will be developed for site prep and
installation. A ceremonial groundbreaking will be planned to kick off project interest. Discussion was held
and Nguyen said this item will go to the Campus Planning Committee at their April 17 meeting.

C. Director of University Affairs Report – Fleet reported that this past weekend was Choose Chico Day. She
said on Monday the Student Academic Senate passed a resolution supporting the AS 75th Anniversary
celebration and the Wildcat Statue. She said April 17 there will not be an official Student Academic Senate
meeting; instead they will be meeting with Provost Larson. She noted the Shared Governance Reception is
Friday and that she will also be attending the Academic Integrity Council meeting on Friday.

D. Director of Legislative Affairs Report – Dumas was absent as he’s representing Chico State at the Model
United Nations competition.

E. University Vice Presidents’ Reports – Calandrella said over 4,300 people attended Choose Chico, with
1,500 of them being students. Grimm said the new director of FMS starts on Monday and they’ll provide him
with the Wildcat Statue information.

F. Executive Director’s Report – Buckley said the Marketing Coordinator position is being opened up again
next week, for the third time. • Buckley said they’re getting closer to finalizing the Sutter contract and
consensus is that we’ll go forward with a model similar to what we’re currently doing, not a P&L. He said the
major difference is that instead of us turning in all of our receipts and being reimbursed, the agreement
would be based on the operating budget and the agreed bottom line, which is currently at $425,000. He said
the University would cut us a check monthly. He said if we go over it’s on us, but if we save money it’s a
benefit to us. He said they’ll be doing this as a one year agreement as this is a new model. He said the goal
is to get the contract to the Board for their approval by the first meeting in May, including authorizing him to
sign the contract. • Buckley said a message went out today on a couple of HR websites noting that CA
legislators are putting forward a bill that mirrors the Federal bill that was supposed to be implemented last
year about the exempt status for employees going to $47,000. He said this was put on hold by a court in
Texas because of the new administration in Washington, D.C.; however, the AS made the move to change
those making less than $47,000 to non-exempt. He said it looks like CA is going forward with this as of
1/1/18, implementing what the Federal Government was supposed to do. It was noted that California will be
moving beyond the $47,000 minimum soon because in order to be exempt, an employee has to make
double the minimum wage, which continues to increase. • Regarding the 75th Anniversary celebration,
Buckley said there is money in the Administration budget for advertising and graphics that is available for
this event.
G. President’s Report – Pratt said the Statement on Shared Governance will hopefully go through tomorrow at Academic Senate. The Shared Governance Reception will be held Friday. • Pratt said 22 individuals submitted applications for the Student Trustee nominations; however, only 9 made the cut for minimum qualifications. He said out of those 9, one was from Chico. He said they should know who the finalists are after the May CSSA Plenary session. • Pratt said a May 2 event is being planned for Sacramento advocacy efforts regarding the importance of funding the CSU at a higher level.

VII. ANNOUNCEMENTS – Fleet said the Student Veterans Organization is having a 5K this Easter Sunday morning at Bidwell Park. • Fleet said the Council of Graduate Students is going to have a Definition of Violence Panel today from 6 to 8 p.m. in Selvesters’ Café as part of Sexual Assault Awareness Month.
