Reflecting on your volunteer experience allows you to think about what you did for the community, what it means, and why it matters. To help you structure your thoughts, we have provided writing topics below. Please consider your volunteer experience as you address each of the following questions in a two-page, double spaced paper. This paper should reflect college level writing and must be proofread before submitting. Your name and program name must be in the upper right corner.

Papers must be turned into the CAVE Office, BMU 309 on Friday, December 2\textsuperscript{nd} by 5:00 p.m.

2. What is your favorite memory?
3. What did you learn from your service?
4. What would you change about your experience?
5. How will you use what you have learned through your experience this semester?
