

# Community Water Forum

A Monthly Discussion Dedicated to Informing Citizens About Water Issues That Affect Them

## Upcoming Dates & Topics

**September 13: Stormwater Management**

*Basic Hydrology, Urbanization and Modern Systems*

**October 11: Climate Change**

*Floods, Fires, Hurricanes and Drought*

**November 8: Sustainable Groundwater Management Act**

*Overview of the Law, Implementation Updates and How to Get Involved*

**December 13: The Oroville Spillway**

*An Examination of the Dam and California's Water Structure*

## FREE FOOD and More!

In an effort to provide entry-level water knowledge to the citizens of both the campus and local communities, local environmental groups have come together to host educational water forums where these individuals can learn about California's water issues through informational presentations and collaborative discussions.

Forums Will Be Held on the 2nd  
Wednesday Every Month  
In ARTS\* Room 106  
On the CSU Chico Campus  
From 6:00 to 7:30pm

\*New Building Adjacent to Madison Bear Garden
