The urban market concept is still moving forward on time, and she will be coming back to the committee to discuss further steps. Ideas to modernize the Marketplace space will be further discussed at a future meeting. Live results are coming in for the Dining Services survey which are being used to gain feedback from students. Focus groups will also be held in the beginning of December to gain additional feedback. She will be meeting with other campus committees to see where they are at regarding boxed water bottles, and further steps.

VII. CHICO STATE WILDCAT STORE DIRECTOR’S REPORT – Foisy reported sales for October broken down into departments, compared to previous years. Year to date sales were also discussed broken down by each department, while also explaining sales as they pertained to specific events that were held on campus which drove up sales for the Wildcat Store. Foisy also explained some upcoming events and sales that will be held at the store to lead up to the holiday season. Apple DEP machines were also discussed to help IT be able to issue software updates more efficiently on laptops.

X. CHAIR’S REPORT – Rahtz made a presentation to the committee about the textbook scholarships which will be administered by the Financial Aid Office and the Associated Students.
