Resignation from Legislative Affairs Council (LAC)

D. Discussion Item: Statement on Shared Governance Document – There have been a couple additional proposed changes to this document. They are willing to take feedback on this. Rather than signing this item before the holiday, a decision was made to push it back so there is more time to look at it. While this document is finalized through this group, it will go to Senate and Legislative Affairs Council. At that point, they
will look at what system will work for policies on Shared Governance. Jacobs asked if this document could be e-mailed out and Pratt said that the group would prefer to wait until a finalized document could be sent to all.

E. Information Item: 10/31/16 Activity Fee Fund Budget vs. Actual – Nguyen explained where we are in terms of the fiscal year, our benchmark, revenues and expenses.

F. Government Affairs Office Procedures: Sarah Stewart – the Office Operations Coordinator presented to the group explaining some of the duties of the front desk. She explained the priority assignments for the front desk students and how they can assist officers if they have free time. Please do not assume that they can take projects on without checking in with Stewart first. It is really important that everyone’s spring class schedule is updated in Outlook. Spring office hours will be logged at the front desk and a spreadsheet is used to track hours. Starting off the semester, she will have a copy for Pratt, Fleet and Nguyen. If anyone is going to be late or sick, please make sure to let her know. Each officer also needs to contact Nguyen, Fleet, or Pratt according to their role. It is imperative to let Stewart know if anyone cannot make it to their office hours. Please call the front desk number for any absences. When she e-mails everyone it is important that she knows that you received the information so she had added read receipts on them. She requested that we all speed up the process at which we reply.

Sharma: EFAC has been event planning, and everyone is excited to find out about the roles and duties they will have. They do not have a name for their event yet, so anyone can let her know about ideas for it. They are unsure about the date as well due to time conflicts with other events. The event they want to have is going to be an Involvement Fair, going off of Clubtacular. Clubs will be tabling, and club members will be able to go up on stage and promote their clubs. They are thinking about capping the event off with having an application process for the club to get into the event. By this event being in mid-February, it will help clubs out to promote for revenue sharing. Jacobs: ‘Sustainability and a Slice’ went really well yesterday and they exceeded the amount of surveys filled out. Through these surveys he is hoping to see what students would like to see in terms of Sustainability on campus. He has worked on the SFAC logo including a trip to the Awards Company for plaques that will go on our funded projects. Roberts: This break they will see a big change in the BMU. The downstairs basement, the mall area and the lounge space in general will see some renovation including removal of the carpet on the second floor. The marquee will be installed over break and SFAC funded seven projects. The Wildcat Food pantry will also be handing out meal cards for hot food. He and others plan to send a letter out to FMS regarding projects that were quoted inaccurately for cost. They will be sending a letter, addressing some of these issues and getting feedback. Rahtz: Sales are down by about 8%. They have half a million dollars in sales from food, but once expenses are deducted; it only comes down to about $13,000. It is also 11% down from how much was sold last October. They have put 68,000 meals out of Sutter. They have also approved the new C-Store in the BMU. There will be a refresh in the Marketplace so that it looks like a more welcome atmosphere. He really appreciates everyone in here for supporting AS Catering.
