**Revenue Sharing** is a program that was created to provide eligible student organizations funding for a variety of uses. This program allows regularly enrolled students the opportunity to allocate up to $15 of their Activity Fee. The Activity Fee is one of the six campus based fees that all regularly enrolled students pay each semester. Revenue Sharing allocation takes place concurrently with the Associated Students Spring General Election. Voters are provided a list of eligible organizations from which to choose and they are able to allocate $15 to one organization, $7.50 to two organizations or $5 to three organizations. If your club/organization is not on the list, the required documentation was not submitted by the deadline. If you have questions, contact the Student Life and Leadership Office at 898-5396.
