The GSEC Presents: The Feminist Book Club

CHICO, Calif.- The Associated Students Gender and Sexuality Equity Center (GSEC) is happy to announce that we are partnering with Professor Sara Cooper to host the Feminist Book Club, where we'll be reading and holding discussions about this year's Book in Common, My Life on the Road by Gloria Steinem. The Feminist Book Club will meet every other week starting Tuesday, September 13. Updates on meeting times and locations can be found on the Feminist Book Club Facebook group.

There will also be a variety of events related to the Book in Common that can be found on the CSU, Chico Calendar of Events such as the Community Kickoff event on Thursday, September 29th from 6-7pm at Chico City Hall.

The Book in Common is a great opportunity to bring students, faculty and community members together over a shared love of learning. My Life on the Road sheds light on a particularly enriching perspective: the importance of equal rights and empowerment for women. Get involved in this crucial discussion by coming to events and encouraging your Feminist friends to do so as well!

The Associated Students Gender & Sexuality Equity Center (GSEC) is a student-run activist organization that strives to empower all students through its four programs: the Women’s Program, the Queer Program, the Trans Program, and the Outreach Program. The GSEC challenges societal norms that have been used to oppress and marginalize by providing opportunities for leadership, personal development, and referral services. We offer a safe and inclusive space where the campus and community can effectively support the academic mission of the university.
