The Associated Students Gender & Sexuality Equity Center (GSEC) is a student-run activist organization, that strives to empower all students through its four programs: the Women’s Program, the Queer Program, the Trans Program, and the Outreach Program. The GSEC challenges societal norms that have been used to oppress and marginalize by providing opportunities for leadership, personal development, and referral services. We offer a safe and inclusive space where the campus and community can effectively support the academic mission of the university.

The Queer Program seeks to provide holistic LGBTQ+ education, to sustain a safe campus environment, and to cultivate community for all queer people affected by heterosexism (i.e. homophobia, bisexual erasure, etc.). This program is dedicated to promoting accessible, affirming, and empowering spaces for sexually and romantically diverse people of all intersecting identities.
